Transpose all chord charts to any key signature

The screenshot shows the iReal Pro interface with a chord chart for 'Rhythm Changes' in C major. The chart is in 4/4 time and consists of two systems of chords. The first system is labeled 'A' and the second is labeled 'B'. A dropdown menu is open over the first system, showing a list of major keys from C to B. The 'Eb Major' option is selected. The interface also shows a library of songs and a playback control bar at the bottom.
